

YS SERIES

OUTDOOR BILLBOARD

LED DISPLAY

YS series

WHATEVER YOU IMAGINE A BILLBOARD TO BE, YS BILLBOARD IS THE ONE YOU ARE LOOKING FOR

Yaham YS is an all-new DOOH advertising billboard, it is based upon its previous generations but with more than hundreds of details upgraded and redesigned that fundamentally helps to improve the way how you install and present. It has been brought to a new completion and a whole new level. Whatever you imagine a billboard to be, YS billboard is the one you are looking for.

FEATURES

Ultra light cabinet

Lower wind-load

IP65

Front/rear access

Noiseless

Energy-efficient

Wind-through and anti-glare module

Since the launch of Yaham's Wind-through module, it revolutionized the digital billboard and received warm welcome in DOOH advertising market.

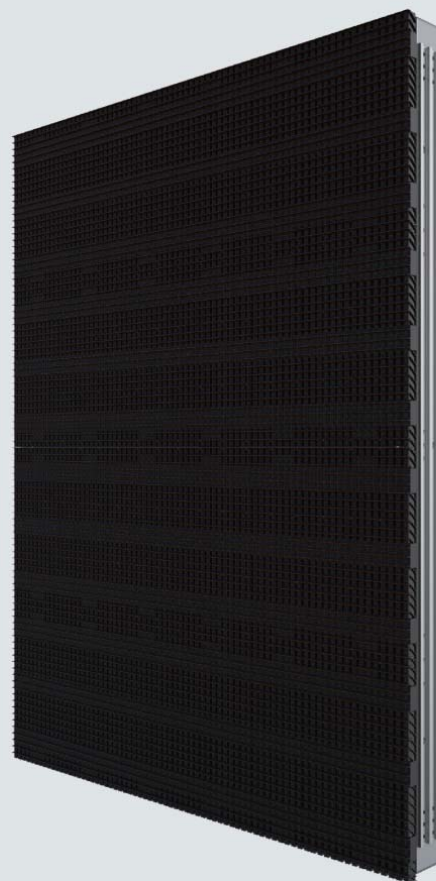

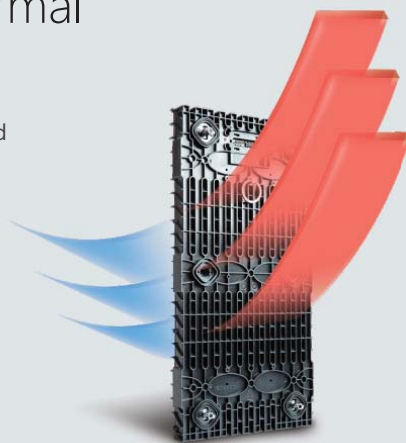

Advanced thermal management

The wind-through module itself could dissipate heat naturally.

Whisper-quiet operation

Fanless design saves power consumption and reduces noise.

Enhanced brightness and refresh rate

With a high brightness of 8500 nits, YS is more eye-catching and readable than ever in the strong light. Along with 1920Hz of refresh rate and pixel-perfect calibration, Yaham YS delivers true-to-life images, every image appears the way it is shot or designed.

 8500 nits

 ≥ 1920 Hz

-  Scalable size, hoistable display

- Cabinet size: 1600mm(H) x 1200mm(W) x 120mm(D)
- Larger cabinets save installation cost and labor
- Easy for assembling

-  Accurate and light frame

- Accurate and solidly-built frame
- Polished design
- Aluminum frames
- Light weight of 31kg/m²

-  Rear and front accessibility

- Four fast rotating locks
- All components can be easily serviced from both rear and front

- Time-proven stability, high Ingress Protection

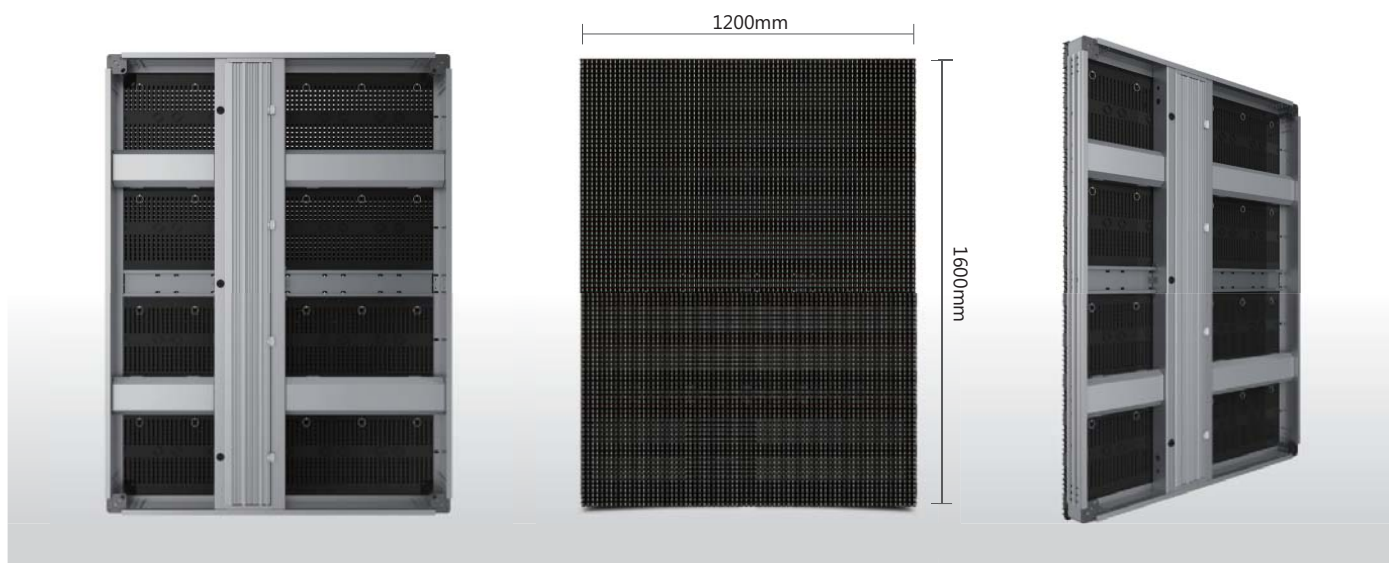

-  Both front and rear can reach IP65.

BILLBOARD 

Silver coating, less heat absorption

Traditional black cabinets absorb heat, while we use silver cabinets to avoid this.
