OUTDOOR

DIE-CASTING LED DISPLAY

D0 SERIES

Die-casting LED display

Yaham D0 Series provides vivid image output with great uniformity and durability. With both IP65 front and rear design, and super light and thin structure, it could meet various application requirements.

FEATURES

Ultra light cabinet

Front/rear access

Energy-efficient

Slim cabinet

Fast assembly

IP65

 **11.5kg/pcs**

● Lighter and thinner

Yaham D0 is the most multi-functional yet thin and light cabinet we've ever created, with thickness measured 118mm and weights 11.5kg per cabinet. One person can handle the installation and maintenance, making it quickly and easily.

● Weatherproof protection

With ingress protection rating up to IP65, Yaham D0 is able to serve in any circumstances without casing, saving cost on construction.

● High precision

With CNC fine machining on die-casting aluminum cabinet structure, precision control of Yaham D0 is within 0.1mm, which keeps the screen with good flatness, and smooth visual performance.

Two installation options

With Yaham D0, it either can be installed vertically or horizontally, making it more flexible in different applications.

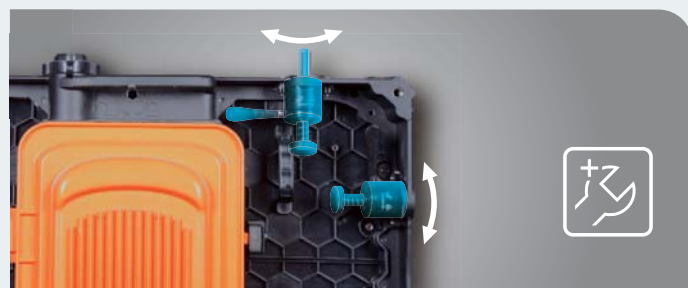

480×640_{mm}

D0

Energy-saving

with the aluminum heat sink design, no fan needed for ventilation. It guarantees the screen to be noiseless and energy-saving.

Fast assembly

With fast lock design, Yaham D0 makes the assembling easy and quick.
